Skydive for Spinal Injuries Ireland

Our Avril Flannery and Kathrina Bray hope to conquer their fear of heights by jumping out of a plane – all in the name of a great cause – Spinal Injuries Ireland.

Avril and Kathrina through their work as Solicitors in our Medical Negligence Department have seen first-hand the devastation that a spinal injury can cause. However, through the excellent work of Spinal Injuries Ireland, individuals can live as fulfilled life as is possible.

If anybody wishes to donate to this very worthy cause, you can visit the GoFundMe page <https://www.gofundme.com/skydive-for-spinal-injuries-ireland> or else forward donations to Spinal Injuries Ireland, C/o CallanTansey, Suite 1.04 Ormond Building, 31-36 Ormond Quay, Dublin 7.
